Dear Dr. Press:

I am pleased to inform you that by action of the Board at our most recent meeting, your application for membership in the Lake Placid Sports Medicine Society has been approved. It requires only action of the membership as a whole at the next annual meeting, which in the past has proved to be a formality. I can, therefore, safely welcome you to the membership at this time.

Enclosed is a copy of the By-Laws, a Society pin and a membership card.

Sincerely yours,

Dorice Torrance  
Executive Secretary  
Lake Placid Sports Medicine Society
